# A TASTE OF PARADISE

Tehuacán Brillante sparkling mineral water is sourced from springs within Citlaltépetl, Mexico's highest mountain. Water from Citlaltépetl's glacier-topped peak is naturally mineralized during its eight-year journey through the mountain's rich volcanic rock, where the legend of Tehuacán's calming waters was born.

Tehuacán Brillante is then infused with effervescence for a crisp mouth-feel and extra-dry refreshment.
